September Dinner Meeting

Writing for Success: Principles of Effective Writing

Kristin Sainani Ph.D.

Abstract
Writing is critical to success in science, yet scientists often receive little formal training in the principles of effective writing. As a result, scientific writing is often needlessly difficult and boring to read. This talk will teach you how to make your lab report, grant proposal, or manuscript more lively, engaging, and informative. The talk will review general principles of good writing, examples of good and bad writing, and tips for making the writing process itself more fun and efficient.

Biography
Kristin Sainani has a background in both science and writing. After receiving an MS in statistics and PhD in epidemiology from Stanford University, she studied science writing at the University of California, Santa Cruz. Now a freelance health and science writer, she writes a health column for Allure magazine and a statistics column for the journal Physical Medicine and Rehabilitation. She is also a clinical assistant professor at Stanford University, where she teaches statistics and manuscript writing. Her 2011 and 2012 ACS Webinars on writing are available at: www.youtube.com/watch?v=rb-NHtsJyOYe and www.youtube.com/watch?v=OfITpO3aEdM.

September Dinner Meeting

Date: Thursday, September 20, 2012
Time: 6:00 p.m. Social Hour
6:45 p.m. Dinner
7:45 p.m. Presentation

Speakers: Dr. Kristin L. Sainani

Location: Cañada College
Building 9, Room 257
(Learning Center Math Lab)
4200 Farm Hill Boulevard
Redwood City, CA

Parking: Access the SCVACS September dinner meeting website for important information

Menu: Make-your-own Fajita Buffet (tortillas, rice, beans, chicken, carnitas, sour cream, guacamole, cheese, churros, fruit salad, Snapple drinks) $20 for members. $10 for job seekers. Free for students!

Reservations: www.scvacs.org
Sally Peters 650-854-4614

Reservations should be made by September 17th stating your name, address, company/school affiliation, number of people in party. Watch the web site for more information. If you are unable to honor your reservation and do not cancel by Wednesday, September 19th, you will be invoiced following the dinner meeting.
Welcome to the Santa Clara Valley Section of ACS

Each month the section receives a spreadsheet from national ACS with the names of members new to our section. The members are either new to ACS, have transferred in from other areas, or are the newest members – students. To welcome you to the section and get to know you, the Executive Committee offers new members a free dinner!! To encourage you to attend a monthly section dinner meeting, we would like you to be our guest. When you register, make certain to mention that you are a new member and you and a spouse (or friend) will be our guests. The dinner meetings are often the 3rd Thursday of the month at a local spot, somewhat convenient to the entire section. If you are unable to attend in the evening, perhaps you would join us for an outreach event, like judging a science fair, participating in the Chemistry Olympiad, or a National Chemistry Week event in October. Then, there is our annual wine tasting and awards picnic in July. The local section is a volunteer organization. Please attend an event, volunteer to help, and get to know your local fellow chemists. Welcome!!

The Santa Clara Valley section taught the girls how to determine the vitamin C content of orange juice, lemonade, and other energy drinks and sodas. About 160 girls participated and learned that orange juice is a much better source of vitamin C than lemonade.

We are always looking for new volunteers for the Santa Clara Valley section activities. If you would like to get involved in local section activities, please contact me or any of the other section officers for the details.

Nominations are also open for section officer positions (Chair, Chair Elect, Secretary, Treasurer) and Councilor and Alternate Councilor. Please let me know if you might be interested. This is a great way to meet a lot of interesting people and to get a true feeling of accomplishment.

Enjoy the rest of the summer. We have a great series of seminars lined up for the fall. I hope to see you at one of our next events.
Bonnie A. Charpentier is the Radding Award Recipient

Dr. Bonnie Charpentier is Vice President of Regulatory and Quality at Metabolex, Inc., a biopharmaceutical company in Hayward, California, engaged in the discovery and development of novel therapeutics to treat type 2 diabetes and other metabolic disorders. She was previously Vice President of Regulatory at Roche Global Development (formerly Syntex). She has had experience across a wide range of therapeutic areas, with responsibility for many INDs for both small molecules and biologics, as well as responsibility for several Marketing Applications and approvals of new drugs internationally. Prior to her profession in regulatory affairs, she worked as an analytical chemist at the Procter and Gamble Co.

Dr. Charpentier is currently serving her third term on the Board of Directors of the ACS as Director of the Western District. She has served ACS in many other volunteer positions at the local and national levels, most recently as Chair of the Board. Her activities in the local section ACS include teaching an interview workshop for undergraduate students and sponsorship of a chemistry workshop for middle school teachers held in conjunction with National Chemistry Week.

She is passionate about turning molecules into medicines, about using science to solve problems and about the importance of public service.

In addition to her service in ACS, she is also a member of American Women in Science, American Association for the Advancement of Science, American Association of Pharmaceutical Scientists, BioScience Forum, Drug Information Association, Bay Area Compliance Discussion Group, Bay Area Clinical/Regulatory Roundtable. She is also a member of several ACS Divisions, including Agricultural and Food Chemistry, Analytical Chemistry, Biochemical Technology, Business Development and Management, Chemistry and the Law, History of Chemistry, Medicinal Chemistry, and Small Chemical Businesses.

Call for Nominations Petitions

By Karl Marhenke, SCVS Secretary

It’s nearly time for our annual election, as mandated by our bylaws, to elect or re-elect a Secretary, a Treasurer, and a Chair Elect. Of our Section’s 7 Councilors and 7 Alternate Councilors, three of each have terms which expire at the end of 2012. All of these people must be re-elected, or replaced.

Our present Chair Elect has found that her duties as a community college chemistry instructor will prevent her from advancing to the position of Chair, so we also have to elect a Chair as well as a Chair Elect.

All of the present office holders except those in the Chair Elect, Chair, Immediate Past Chair cycle can choose to run for re-election, and doing that has become the norm, very often resulting in a ballot with no contested races (e.g., two names on the ballot, and directions to vote for no more than two).

We ask for your help to change this often (and justifiably) criticized situation: nominate yourself or a friend or colleague for one of the above positions. All we need is a petition, consisting of a sheet of paper with:

• The name of the office
• The name of the proposed candidate
• The signatures and printed names (so that we can read them and verify their eligibility to sign) of 15 or more Section members.

The proposed candidate may be one of the signers, so if you want to run for one of the open positions, you only need 14 more signatures.

Please send petitions to:
Karl Marhenke, Secretary
Santa Clara Valley Section, ACS
1710 Wilshire Drive, Aptos, CA 95003-2816

Petitions must be received by Saturday, September 29, 2012. Section Affiliates cannot participate in the election in any way. Student Members cannot run for office, but they may sign petitions and they may vote.

The qualifications for running for office are:
1. Be a member of the Santa Clara Valley Section (except as noted above)
2. If elected, agree to serve.

Number 2 is the hard one! It’s the main reason we have trouble avoiding uncontested election, despite the fact that we have over 3100 members. Please help us!
Section to Vote on Proposed Bylaws Changes

A year or so ago, the American Chemical Society saw fit to include students attending colleges and universities membership status in the Society as STUDENT MEMBERS. This distinction made the former designation as Student Affiliates or members of a chemistry club obsolete since these future chemists and chemical engineers would be now granted membership status. The National Bylaws were changed and the word went out for the Local Sections to amend their bylaws to conform to and complement the bylaws of the whole Society. Consequently, the Executive Committee of our own Local Section (Santa Clara Valley) assigned a working bylaws committee with the challenge of revising our existing bylaws to make any necessary changes that would allow the inclusion of students as members and make any other editorial changes that would clarify or enhance the existing bylaws. The committee was made up of former Section leaders and long-time members who were interested in taking on the task and have come up with a number of ACS-required, recommended, and editorial changes that the Section membership will vote on for approval in the upcoming Fall elections when we elect our officers for next year. Please take a look at the proposed bylaws changes in the Section’s website, http://www.scvacs.org/. These proposed changes were approved by the Executive Committee and are summarized below:

Major Amendments:
- Bylaw IV (Members and Affiliates) – Delete the Associate Member category, insert STUDENT MEMBERS into the list of members of the Section and define their rights & privileges.
- Bylaw V (Organization) – Refer to the office of Past Chair as Immediate Past Chair (here and in Sections that follow). State that the offices of Secretary and Treasurer may be combined.
- Bylaw VI (Manner of Election and Terms of Office) - Throughout the document, capitalize the word "member(s)" when referring to MEMBERS of the Society and use lower case when referring to other membership in the Section.

Bylaw VII (Recall of Elected Officials) – In Section 1, add the following sentence, “Recall procedures are not applicable to Councilors and Alternate Councilors elected by the Local Section.”
- Bylaw XII (Amendments) – Replace the existing bylaw with an ACS-approved Optional Bylaw that more closely conforms to the Society's Constitution and Bylaws.

These proposed amendments were presented to the ACS Committee on Constitution and Bylaws for their preliminary review and comments in late 2011 and their comments, recommendations and required changes are proposed in the revised bylaws document currently posted on our website and up for a vote. We encourage you to look over the changes and cast a vote next fall your approval or disapproval on whether they should be adopted. Any questions should be directed to the Executive Committee whose members are listed on the last page of the Silicon Valley Chemist, our monthly newsletter.

SCVACS BYLAWS COMMITTEE
George Lechner, Bruce Raby, and Floyd Hobbs

SCVACS REVISED BYLAWS February 1, 2012 (After Preliminary Review of Proposed Bylaws Received 9/2/2012 by ACS C&B and approval of the SCVACS Executive Committee on 2/6/2012. All preliminary REQUIRED, RECOMMENDED and EDITORIAL CHANGES have been made according to the Preliminary Report from ACS C&B dated Jan. 23, 2012. In addition, the text of BYLAW XII–Amendments was replaced with new language to assure a preliminary review by ACS C&B as recommended by ACS C&B in their Template of Optional Bylaws dated 1/20/2011.)

These revised bylaws must be submitted to a vote for approval by the SCVACS membership PRIOR to final certification by ACS C&B.

BYLAWS OF THE SANTA CLARA VALLEY SECTION, INC. OF THE AMERICAN CHEMICAL SOCIETY

BYLAW I Name
The name of this organization shall be the Santa Clara Valley Section, Inc., hereinafter referred to as the “Section,” of the AMERICAN CHEMICAL SOCIETY, hereinafter referred to as the “SOCIETY.”

BYLAW II Objects
Section 1. The objects of the Section shall be those of the SOCIETY as stated in the Constitution of the SOCIETY.

Section 2. Nothing in these bylaws shall be inconsistent with the Charter, Constitution, and Bylaws of the SOCIETY.

Section 3. The Section is a non-profit corporation under the laws of the State of California.

BYLAW III Territory and Headquarters
The territory of the Section shall be that assigned to it by the SOCIETY.

BYLAW IV Members and Affiliates
Section 1. The rolls of the Section shall be composed of and include those MEMBERS, STUDENT MEMBERS, Society Affiliates of the SOCIETY and Local Section Affiliates residing within the territory of the Section, as authorized by the Constitution and Bylaws of the SOCIETY. Any exception to this rule shall be made in conformity to the Constitution and Bylaws of the SOCIETY.

Section 2. MEMBERS, STUDENT MEMBERS, Society Affiliates and Local Section Affiliates shall have such rights and privileges as are accorded them by the Constitution and Bylaws of the SOCIETY. MEMBERS may vote for and hold elective positions or serve as temporary substitute Councilors. STUDENT MEMBERS may vote for but not hold an elective position, nor can they serve as temporary substitute Councilors. Society Affiliates and Local Section Affiliates may not vote for or hold an elective position or serve as temporary substitute Councilors. Society Affiliates may be appointed as Committee Chairs and may serve on the Executive Committee in a non-voting capacity.

BYLAW V Organization
Section 1. The officers of the Section shall be a Chair, Chair-Elect,
Section 2. The recall of an official shall be initiated when a signed petition, indicating in writing the specific charges and reasonable substantiating evidence, is submitted to the Chair from at least five voting members of the Section. The official shall promptly be notified of such action. In the event the Chair is the official in question, the Chair-Elect shall receive the petition and shall assume the duties of the Office of Chair with respect to this issue until the issue is resolved.

Section 3. The Chair shall without delay determine that the petitioners are aware of the gravity of their actions and the procedures to be followed. The Chair shall seek an alternate resolution to the problem and a withdrawal of the petition at this time. In the absence of a resolution to the problem, the Chair shall present the issue to the Executive Committee as a new business item at the next scheduled Executive Committee meeting.

Every reasonable effort shall be made to contact the official throughout this procedure. That effort shall include a certified letter (return receipt requested) to the last known address on the official SOCIETY membership rolls. Upon notification, the official shall have 30 days to make a written response to the allegations. The Executive Committee shall decide whether to proceed after studying and investigating the official’s response. The Chair shall inform the official and the petitioners of the decision of the Executive Committee.

If no contact with the official can be made after a reasonable effort, the Executive Committee may remove the official in question with a two-thirds vote of the remaining members of the Executive Committee.

d. If the proceedings continue, the official shall be offered an opportunity to answer the allegations in the petition before the Executive Committee.

Section 4. The vacancy provisions of these bylaws shall be used to fill a vacancy caused by a recall process. The membership of the Section and the Executive Director of the SOCIETY shall be informed of the results.
of the recall process and the replacement of the official.

**BYLAW VIII**

**Duties of Officers and Executive Committee**

**Section 1.** The duties of the officers shall be those customarily performed by such officers, together with those responsibilities prescribed by the Constitution and Bylaws of the SOCIETY and by these bylaws and such other duties as may be assigned from time to time by the Executive Committee.

**Section 2.** The Chair of the Section shall serve as Chair of the Executive Committee and shall appoint the chairs of all committees. These chairs shall serve at the pleasure of the Chair and their appointments shall be subject to approval by the Executive Committee.

**Section 3.** The Executive Committee shall be the governing body of the Section and, as such, shall have full power to conduct, manage, and direct the business and affairs of the Section, in accordance with the Constitution and Bylaws of the SOCIETY and these bylaws. For purposes of incorporation in the State of California, the Executive Committee shall be the legal successor of the Directors who incorporated the Section. The Officers, Councilors, and Alternate Councilors are expected to attend meetings of the Executive Committee.

**Section 4.** Details of duties of officers and of Section operations shall be specified, accumulated, and kept up to date in an Operations Manual to be maintained by the Secretary or such alternate as may be designated by the Executive Committee. Within three months after their term as Chair expires, each Immediate Past Chair shall report to the Executive Committee on suggested changes in the Operations Manual. Changes in the Operations Manual shall require approval of a majority of the Executive Committee. The Operations Manual shall be available for inspection by members and associates of the Section.

**Section 5.** An annual audit of the records of the Treasurer shall be performed at the direction of the Executive Committee.

**BYLAW IX**

**Committees**

**Section 1.** The Executive Committee shall establish committees as necessary for the proper operation of the Section.

**Section 2.** The Chair of a committee in collaboration with the Chair of the Section shall establish the committee membership, which shall be reported to the Executive Committee.

**BYLAW X**

**Meetings**

**Section 1.** The Section shall hold at least four meetings per year at places and times designated by the Executive Committee. The rules of order in the conduct of Section meetings not specifically provided in these bylaws or in the SOCIETY’s documents shall be the most recent edition of Robert’s Rules of Order Newly Revised.

**Section 2.** The Section shall hold special meetings at the call of the Executive Committee or at the written request of 25 members of the Section. The notices of special meetings shall state the exact nature of the business to be considered and no other business shall be transacted at such meetings.

**Section 3.** Due notice of all meetings shall be sent to each member and affiliate of the Section. A quorum for transaction of business at a Section meeting shall consist of three percent of the members of the Section. No business shall be transacted in the absence of a quorum.

**Section 4.** The Executive Committee shall meet upon due notice to its members at the call of the Chair or at the request of a majority of the members of the Committee. In the absence of a quorum, which shall be a majority of the members of the Committee, called meetings of the Executive Committee shall transact no official business.

**BYLAW XI**

**Finances**

**Section 1.** All members and assigned Society Affiliates of the Section may be requested to voluntarily pay such annual Local Section dues as may be set by the Executive Committee.

**Section 2.** The annual dues of Local Section Affiliates shall be set by the Executive Committee in accordance with the Constitution and Bylaws of the SOCIETY. Failure to pay such dues for the current year shall automatically terminate the affiliation.

**BYLAW XII**

**Amendments**

**Section 1.** These bylaws shall be amended as follows:

a. The proposed amendment(s) shall have been first submitted to the Executive Committee by at least five members, or shall have been raised by the Executive Committee, and shall have been evaluated and approved by a majority of the members of the Executive Committee.

b. If a dispute arises regarding approval of said amendment(s), the Executive Committee may resolve the issue by majority vote of the Committee after hearing discussion of the issue at a regular meeting of the Section, or the Committee may decide to hold a special election of the Section to resolve it.

c. The Section Secretary shall send the proposed bylaw amendment(s) to the SOCIETY’s Committee on Constitution and Bylaws for a preliminary review. After receipt of the review, the Executive Committee will then make appropriate changes, as necessary. The Secretary shall then distribute to all Section members a suitable explanation of the bylaw amendment(s).

d. That at least two-thirds (2/3) of votes cast shall be required to approve the amendment.

**Section 2.** The Secretary shall distribute the outcome of the ballot regarding the amendment(s) to the Section members and within one month, shall meet all requirements for submitting the results to the Committee on Constitution and Bylaws.

**Section 3.** Amendments to these bylaws shall become effective upon approval by the Committee on Constitution and Bylaws, acting for the Council of the SOCIETY, unless a later date is specified.

**BYLAW XIII**

**Dissolution of Local Section**

Upon the dissolution of the Local Section, any assets of the Local Section remaining thereafter shall be conveyed to such organization then existent, within or without the territory of the Local Section, as is dedicated to the perpetuation of objects similar to those of the AMERICAN CHEMICAL SOCIETY, or to the AMERICAN CHEMICAL SOCIETY so long as whichever organization is selected by the governing body of the Local Section at the time of dissolution shall be exempt under Section 501(c)(3) of the Internal Revenue Code of 1954 as amended or under such successor provision of the Code as may be in effect at the time of the Local Section’s dissolution.

Notes: Effective March 3, 2008. Approved, as amended, by the Committee on Constitution and Bylaws, acting for the Council of the AMERICAN CHEMICAL SOCIETY.

CHEMPSLOYMENT ABSTRACT 3979

**Position Title:** Scientist-Discovery Chemistry  
**Job Description:** Genentech has an exciting opportunity for a Scientist Chemist to join the innovative program in small molecule drug discovery. Individuals need to possess a thorough understanding of synthetic chemistry and demonstrate a strong record of achievement in at least two pharmaceutical development programs. Qualified candidates will play a significant role in the management of current small molecule projects and leading multidisciplinary teams.

**QUALIFICATIONS DESIRED:**  
**Education:** The successful candidate will have a PhD in Organic Chemistry.  
**Experience:** The candidate should have at least two years of experience in the pharmaceutical industry and demonstrated impact on drug discovery programs (patents, process improvements, publications, etc.). This should include team leadership experience.

**LOCATION, SALARY, EMPLOYER:**  
**Job Location:** South San Francisco, California  
**Salary:** DOE  
**Employer:** Passionate About Science. We’re passionate and rigorous about our science. For more than 30 years, Genentech has been at the forefront of the biotechnology industry, using innovative science to develop breakthrough medicines that improve the lives of people with serious or life-threatening diseases.

**Application Instructions:** We recognize that our people are our most important asset. It’s why we foster an inclusive environment that encourages diversity and offer competitive healthcare benefits to help you bring the best to the business and to your personal life. Join us as we continue to tackle medicine’s most challenging problems and live a life inspired. To apply for this job, visit http://jobs.gen.com/wvm/gme/jobdetail_pdf.php?id=0jG94rrH3xMzntg0hNldcDAFANEi6QgmmR39%2F06Gm67qlZaP6lshVmsNokWv16QES7PC1geVdQ8pC3KeLzdPQdXxV27o%2BJBCAg9z2m6G4aqQ9c3D%3D  

Now a member of the Roche Group, Genentech has multiple medicines on the market for cancer and other serious illnesses. We are an equal opportunity employer.

CHEMPSLOYMENT ABSTRACT 3980

**Position Title:** Sr. Development Associate, Process Development & Manufacturing  
**Job Description:** The primary responsibility will be to perform process optimization experiments for Geron’s Telomerase Inhibitor Program (imetelstat sodium and other Oligos) and the peptide-paclitaxel conjugate GRN1005 using solid-phase and/or solution-phase reaction chemistry.  

- Operation of the Akta Oligopilot 100 DNA synthesizer and bench-scale solution-phase reactions followed by downstream process experiments such as prep scale chromatography, Ultra Filtration and Lyophilization or drying  
- Test and analyze R & D samples, API and drug product samples from contract manufacturers (as needed) by LC-MS, HPLCs, UV spectrophotometry

**QUALIFICATIONS DESIRED:**  
**Education:** BS/MS in Chemistry with a minimum of 2-5 years experience in synthesis of small molecules, peptides and/or oligonucleotides/nucleosides  
**Experience:**  
- Experience in synthetic organic chemistry especially in heterocycles and coupling reactions  
- Experience in NMR, HPLC, LCMS, UV and interpretation and presentation of the results to the team  
- Familiarity with GMP practices and knowledge of CFR, ICH guidelines

**LOCATION, SALARY, EMPLOYER:**  
**Job Location:** Menlo Park, California  
**Salary:** Commensurate with experience  
**Employer:** Geron is a biopharmaceutical company developing first-in-class therapies for cancer. The company has two lead product candidates in clinical development, imeotelstat and GRN1005. GRN1005 is a peptide-drug conjugate that is designed to transport a proven anti-cancer drug, paclitaxel, across the blood-brain barrier by targeting low-density lipoprotein receptor-related proteins (LRBs), specifically LRP-1.
